

The members of the Sherman County Historical Society plan to recognize Dennis Welty for his many contributions to our town and county at a special event, and we invite you to come share your memories.

Dennis was the “go to” person at the Historical Society: Need a tour of the Museum? Talk to Dennis. Need some genealogy research done? Talk to Dennis. Need to donate some items to the Museum? Talk to Dennis. Need some piece of furniture moved at the Museum? Talk to Dennis! Shall I continue? The rest of the members of the SCHS complete these tasks also, but oftentimes, Dennis was our “go to” person. And we know that he was dedicated to various other community activities as well.

An opportunity to pay tribute to Dennis for the many things he did for our community will be Thursday evening, October 26, 2017, at the Open Mike (next door to Junk & Disorderly) beginning at 7 p.m. Members from other organizations will share how Dennis enhanced their organization or activity. Some of these groups include the Loup City Alumni Association, the Methodist Church, the Loup City Wellness Committee, Class of 1968 Reunion Committee, tennis players, and the Sherman County Arts Council. These groups and many individuals will sorely miss Dennis’s involvement, and we wish to take this opportunity to recognize his tireless work on behalf of our community.

Hosts of this event are the Sherman County Historical Society, the Sherman County Arts Council, and Mike & Bev Pop. Admission is free and everyone is welcome. If you are so inspired, please bring an “old fashioned” snack to share along with the recipe. Beverages will be provided.
